

Technical Data

Maxol Extendo 5w/30

Description

A fuel economy, synthetic, universal motor oil, developed according to the most recent technology, based on specially selected synthetic base oils and a well-balanced choice of advanced additives to obtain the following properties:

- a lower fuel consumption
- mid SAPS content
- suitable for modern catalysts
- a fast cold start
- a safe lubrication film at high temperatures
- extended oil drain intervals
- a very good detergency and dispersion
- a very strong protection against wear, corrosion and foaming.

Application

This universal, fuel economy, specially composed motor oil is recommended for use in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans with extended oil drain intervals. This motor oil also contributes to the extension of the lifetime of particle filters. Due to its special composition it is possible to apply this product for the VW 504.00/507.00 requirements, in practice also called VW Longlife III.

Specifications

ACEA C3

API SP

Approved under VW 504.00/507.00 MB-Approval 229.31/229.51

BMW Longlife-04

Porsche C30

Meets the requirements of:

MB 229.52

Opel OV0401547

Important:

Always observe the manufacturer's specifications when selecting products.
